## Eighth House in Aquarius

Posted by kapoor - 2007/11/23 13:19

---

This thread discusses the Content article: Eighth House in Aquarius

i have 4 planets mars sat mer and sun in the 8th house and i am cancer asc. Since i am new to astrology can someone give me some insight into this combination.

=====

take a look at these sections, they will give you details of each planet in any particular house:

Planets in the twelve houses
